PRACTICE PERFECTION

PRACTICE PERFECTION

Delta Targets products take practice to a new level. With features that make our targets durable and long-lasting, and innovations that really make a difference to archers, Delta Targets is practice perfection.

On August 8, 2008, fire destroyed Delta's offices and 3D target manufacturing facilities in Reinbeck, Iowa, disrupting what had been the company's best year ever.

Our distribution center, as well as the production site for DeadStop bag targets—both at other locations—were unaffected. And while our distribution center was stocked with extensive 3D target inventory, without the ability to replenish that stock during the busiest time of the season, the inventory didn't last long. As we ran out of product, we were unable to fill your orders. We apologize for that inconvenience.

Rather than consider the fire a gloomy disaster, we chose to be optimistic and treat this event as an opportunity to rebuild the company bigger and better than before.

Our new, state-of-the-art, 3D target manufacturing facility is open as of November 1, 2008, with 3D target production online that same month. We are using all new molds with superior design, lean production methodologies, and top-of-the-line, advanced production technology and equipment. This will mean higher-quality products and improved delivery for you, our valued customer.

To accelerate target availability for you, we have been working at a frenzied pace since the fire to rebuild the molds that were lost.

Beginning in December 2008, our popular utility targets—Riverbottom Buck, Backyard Buck Legend, and a limited quantity of several Elite Series targets—will be available. Each month, additional Elite Series targets and specialty targets will become available. By late spring 2009, we anticipate being at full production of all Delta Targets.

We invite you to contact our customer service department at 1-800-708-0673 for information about which targets are currently in stock and the timing of availability of other targets you would like to order.

Thank you for your understanding and support. We look forward to serving you in 2009.

Laverne Woock
CEO, Delta Sports Products

TECH FLEX E-Z PULL FOAM

Every Delta target features Tech Flex E-Z Pull Foam—the most advanced technology for performance and durability. With self-healing and memory characteristics, Tech Flex enables targets to stand up to numerous shots without developing holes, and provides easy arrow removal.

MICROCELLULAR FOAM

The Elite Series target line, with oversized replaceable cores, features the Microcellular Foam system for exceptional arrow stopping, enhanced healing, extended core life, and easy arrow removal.

REMOVABLE ANTLERS

Easily-removable antlers add realism and help create a broad range of practice scenarios.

TWIST-LOCK ASSEMBLY

Delta 3D targets with Twist-Lock Assembly have legs that can be attached or removed with a simple quarter-turn twist, for fast and easy setup and a very stable platform.

SCORING

All Delta Elite Series Targets, T-Series Large Game Targets, and T-Series Small Game Targets feature universal scoring.

DURABLE EARS

For ears that can stand up to being knocked around, we craft ours from polyethylene. Their flexible construction looks extremely realistic and lasts season after season without breaking off.

3D DEER TARGETS

At the foundation of the Delta Targets product line is our legendary line of 3D Deer Targets. Known for their realism, durability, and affordability, these bucks stand up to practice session after practice session.

REPLACEABLE VITALS

3D Deer Targets feature durable, replaceable vitals that increase target life, making them an economical choice for all types of archers.

50335 CRP BUCK

46"H (feet to top of antler)
40"H (feet to top of head) x 40"L x 10"D

Our most economical 3D deer target, the CRP Buck features a replaceable vital to extend target life.

REPLACEMENT VITAL
50201 – Year on Target: 2005

50450 RIVERBOTTOM BUCK

47"H (feet to top of antler)
41"H (feet to top of head) x 40"L x 10"D

A classic life-sized target, with impeccable details, removable antlers, and a replaceable vital.

REPLACEMENT VITAL
50201 – Year on Target: 2000

50400 BACKYARD BUCK LEGEND

48.5"H (feet to top of antler)
40"H (feet to top of head) x 43"L x 10"D

For the serious backyard shooter looking for realism and quality at an economical price, this full-sized deer features good detail, easy assembly, removable antlers, and an enlarged replaceable vital.

REPLACEMENT VITAL
50401 – Year on Target: 2003

50500 TREESTAND BUCK

48.5"H (feet to top of antler)
40"H (feet to top of head) x 46"L x 10"D

Designed specifically for the hunter looking for practice in a realistic, treestand situation, this target has an extra-large replacement vital for angled shots. The vital area outlines the major organs—heart, liver, and lungs—and has markings for backbone and shoulder.

REPLACEMENT VITAL
50501 – Year on Target: 2000

50350 BROADHEAD BUCK

51"H (feet to top of antler)
43"H (feet to top of head) x 44"L x 10.5"D

Lifelike and life-sized, with removable antlers, this expertly-crafted target combines the best of Tech Flex E-Z Pull Foam and Delta's ELC® Encapsulated Layered Core technology. The replaceable core is made to handle both field points and broadheads. Arrows can be removed easily using only one hand. The target features Twist-Lock Assembly.

REPLACEMENT VITAL
50301 – Year on Target: 2003

52200 BEDDED MAXIM

29.5"H (feet to top of antler)
22"H (feet to top of head) x 39"L x 10"D

Prepare to take a challenging shot with this life-sized, bedded whitetail target. Features great detail, quick assembly, and a replaceable vital.

REPLACEMENT VITAL
50201 – Year on Target: 1998/1997

ELC® Encapsulated Layered Core technology adds durability to the 50350 Broadhead Buck target.

ELITE SERIES TARGETS

With a large Microcellular Replaceable Core not found in any other target, Elite Series targets are Delta's full-sized, top-of-the-line deer, bear, and big game targets.

LARGE MICROCELLULAR
REPLACEMENT CORE

**50100
ELITE ALERT WHITETAIL BUCK**

54"H (feet to top of antler)
45"H (feet to top of head) x 37"L x 12"D

A full-sized, finely detailed, extremely realistic whitetail deer, with replaceable vital, Twist-Lock legs, and all Elite target features. Outstanding durability for club and individual use.

REPLACEMENT VITAL
50418 – Year on Target: 2005

**50140
ELITE SNEAK WHITETAIL BUCK**

50"H (feet to top of antler)
41"H (feet to top of head) x 43"L x 12"D

A unique target with all the same features as the Elite Alert Whitetail Buck, but in a realistic sneak position for added variety.

REPLACEMENT VITAL
50418 – Year on Target: 2005

**50550
ELITE STANDING BLACK BEAR**

59"H x 19.5"L x 15"D

An impressive addition to any course and a great tournament target, the highly-detailed black bear features three-piece construction with Twist-Lock Assembly.

REPLACEMENT VITAL

**50150
ELITE MULE DEER BUCK**

54"H (feet to top of antler)
45"H (feet to top of head) x 37"L x 12"D

The accurately-colored mule deer buck target features a trophy-sized rack and replaceable vital.

REPLACEMENT VITAL
50422 – Year on Target: 2005

**50110
ELITE ANTELOPE**

53"H (feet to top of antler)
41"H (feet to top of head) x 42.5"L x 11"D

The most realistic antelope target available, the Elite Antelope has Pope and Young-sized horns, superb details, and a replaceable vital.

REPLACEMENT VITAL
50118 – Year on Target: 2005

**50780
ELITE TROPHY WHITETAIL BUCK**

54"H (feet to top of antler)
45"H (feet to top of head) x 37"L x 12"D

For the ultimate practice experience, this full-sized whitetail deer target sports a Pope and Young-sized, removable rack. The target also features Twist-Lock Assembly, flexible ears, and a replaceable vital for long target life.

REPLACEMENT VITAL
50418 – Year on Target: 2005

**50595
ELITE CANADIAN LYNX**

25.5"H x 36"L x 10.5"D

REPLACEMENT VITAL
50596 – Year on Target: 2005

**50570
ELITE TIMBER WOLF**

32"H x 45"L x 10"D

The full-sized timber wolf from Delta has two-legged design for quick and simple setup.

REPLACEMENT VITAL
50571 – Year on Target: 2005

**50597
ELITE JAVELINA**

22.5"H x 35.5"L x 10"D

REPLACEMENT VITAL
50599 – Year on Target: 2005 and up

**50120
ELITE WALKING BROWN BEAR**

31"H x 48"L x 11"D

This full-sized bear target has a large replaceable vital area and Twist-Lock removable legs and head.

REPLACEMENT VITAL
50128 – Year on Target: 2005

T-SERIES SMALL GAME TARGETS

For a challenging shot, try Delta T-Series Small Game Targets. Made from Tech Flex Foam, each target has hand-painted detail for realism.

50520
FULL STRUT TURKEY

32"H x 25"L x 17"D

The most realistic turkey target you'll see anywhere, with four scoring areas—front, back, and both sides.

50505
WALKING TURKEY

23"H x 36"L x 11"D

This economic target provides the realism and quality you expect from Delta Targets.

50510
RACCOON

18"H x 15"L x 13"D

This ring-tailed bandit is sure to add excitement to any bowhunter's or fur harvester's practice.

50430
CARP

12"H x 30"L x 9"D

Whether you've bowfished for years or are practicing for your first trip, this target provides the edge you've been looking for.

50230
WOLVERINE

36"H x 22"L x 9"D

Bring this native of the Northern frontier to your backyard shooting range for added mammal diversity.

PRACTICE PERFECTION

50535
HOWLING COYOTE

35"H x 33"L x 9"D

Its hand-painting and realistic sculpting make this an excellent practice target.

50515
WOODCHUCK

21"H x 13"L x 15"D

Experience the exceptional realism of this hand-painted target.

50525
RED FOX

23"H x 18"L x 8"D

Now you can practice outfoxing this clever animal in your own backyard.

50530
PORCUPINE

26"H x 15"L x 10.5"D

Practice comes close to the real thing, with realistic body sculpting detailed right down to the quills.

53100
ROE DEER

37"H x 37.5"L x 8.5"D

Make your shot count on this unique European deer.

53200
RABBIT

19"H x 16.5"L x 8.5"D

Practicing with this realistic-looking target is a great way to get ready for the hunt.

T-SERIES LARGE GAME TARGETS

Delta's T-Series Large Game Targets are top-of-the-line targets with replacement sections instead of replaceable vitals. The series includes a variety of animals, from mountain lion to wild boar.

50560
GRIZZLY BEAR

60"H x 61"L x 22"D

Quite popular for clubs and tournaments, this life-size grizzly bear target features three scoring vitals and a realistic-looking stump. Please allow 2 to 3 weeks lead time.

REPLACEMENT MIDSECTION
50562

50580
CARIBOU

71"H (feet to top of antler)
45"H (feet to top of head) x 81"L x 19"D

The largest caribou target on the market, ours features a four-legged design and a rack sized for the record books. Please allow 2 to 3 weeks lead time.

REPLACEMENT MIDSECTION
50588

50600
WILD BOAR

33"H x 32"L x 10"D

Nearly three feet tall, the Delta Wild Boar target features an aggressive stance and an open mouth with sharp tusks—a real bowhunting challenge.

REPLACEMENT MIDSECTION
50602

50540
RUTTING BUFFALO

50"H x 82.5"L x 17"D

An imposing presence on any range, the largest of all Delta targets features a unique locking system that keeps parts from shifting. Please allow 2 to 3 weeks lead time.

REPLACEMENT MIDSECTION
50542

3D TARGET ACCESSORIES

Delta offers high-quality 3D target accessories to meet archers' needs.

50080-50084

BAG TARGETS

DEADSTOP

These super-durable targets with brightly colored bull's eyes and tough outer bags easily stop arrows from the heaviest bows. Deadstop targets are available in a variety of sizes, and most models include a stand. *Not recommended for use with broadheads.*

70295 SUPER DEADSTOP 36" OFFICIAL ASA PRACTICE TARGET

Designed for tournaments and the serious archer, this target features nine colorful bull's eyes, and a tough, replaceable zippered outer shell for easy maintenance. Use with 70296 Super Deadstop Stand, not included.

REPLACEMENT BAG

70297

SUPER DEADSTOP STAND

70296

This deluxe stand is fabricated from welded carbon steel for incredible durability. For use with 70295 Super Deadstop 36" Official ASA Practice Target and 70290 Deadstop Burly 30".

70178 DEADSTOP CARBON 5000

25" Bag

This proven-performer stops arrows from high-performance bows and provides easy, two-finger arrow removal. The target includes a deluxe hanging stand and is a snap to set up.

REPLACEMENT BAG

70179

70180 DEADSTOP 4000

25" Bag

The heavy outer casing has a brightly colored face with five ring bull's eyes. The bag is filled with a durable synthetic fiber, and comes with an easy-to-use, portable stand for stability.

REPLACEMENT BAG

70185

DEADSTOP 4000 3-PACK

70183

Stand not included.

70281-70290 DEADSTOP BURLY TARGETS

Our most popular bag target has a tough filler and a heavy-duty, 6.5-oz. replaceable outer shell for long target life. It's available in two sizes, to suit any shooting environment. The target comes complete with a stand and grommets for hanging. (70290 Deadstop Burly 30" can also be used with 70296 Super Deadstop Stand.)

70281 DEADSTOP BURLY 25"

REPLACEMENT BAG

70286

70290 DEADSTOP BURLY 30"

REPLACEMENT BAG

70291

Stand not included.

PRACTICE PERFECTION

speed bag™

NEW FOR 09

New Speed Bag™ series targets are specifically engineered for today's high-speed, high-performance bows. These brightly-colored targets are made to stand up to 300-plus fps bows, and last a long time. Plus, they provide easy, two-finger arrow removal. To keep up with today's fastest bows, get Speed Bag series targets.

46"H (feet to top of antler)
38"H (feet to top of head) x 46"L x 10.5"D

The novel design of the three-dimensional Whitetail Deer Decoy includes a storage cavity inside the body. The compartment holds everything needed—legs, antlers, and stake system—for quick, quiet, and simple setup with the proven Twist-Lock system. The decoy has removable antlers and a submissive posture, so it can be used as either a buck or doe, to fit any hunting strategy.

Made with soft foam, the sturdy decoy is less noisy for carrying through wooded areas. And, at less than 13 pounds, with a safety-orange strap for carrying, this decoy is easy to transport to your favorite hunting spot.

Renowned hunting personality Alex Rutledge of Hunter Specialties prepares a decoy for a whitetail hunt. Delta Sports Products recommends the use of Hunter Specialties scent elimination products with all Delta Sports Products decoys and accessories.

**80500
HOT2SQUAT
DOE DECOY**

42"H (feet to top of shoulder) x 48"L x 10"D

With decoying popularity on the rise, Delta Targets' revolutionary Hot-to-Squat decoy takes motion decoying to a new level. The decoy pushes bucks over the edge during the rut by simulating the squatting motion of a doe depositing sign. The decoy moves when the hunter pulls a string, bringing the rear of the decoy down and raising the tail. This versatile decoy can also be used in non-rut scenarios as a standard decoy to calm other deer with its presence.

The decoy is constructed of durable polyethylene. Featuring simple and speedy assembly, it can be set up in minutes in the field, for use in a blind or stand. Comes complete with tree stand stake, ground stake, and line and reel for use and storage.

PATENT NUMBER 6,021,594

Check your local laws regarding the use of motion decoys.

REALLY MOVES!

- DRIVES BUCKS CRAZY
- MOTION MIMICS A DOE IN HEAT
- SQUATS AND RAISES TAIL

TURKEY DECOYS

Delta Targets turkey decoys are part of our full line of field-proven decoys designed to give hunters the edge. Our innovative designs include a variety of features that add to realism, durability, and usability. Delta Targets offers the decoys that discriminating hunters want.

**80375
JAKE**

This Delta Targets juvenile gobbler turkey decoy features an alert pose and a beard, with hand-painted jake coloration, making this one of the most realistic decoys in any flock or setup. Collapsible and virtually indestructible, this tough decoy will stand up to the rigors of any hunt. Stake and instructions included.

JAKE BULK PACK

80371
(12, bulk-packed)

**80352
ULTIMATE HOT HEN**

The Delta Targets Ultimate Hot Hen features a relaxed, pear-shaped posture and a slightly turned head, expressing a "come hither" attitude. Our most popular decoy is hand-painted with iridescent paint for excellent realism and is easy to transport and assemble. Several collapsible birds fit easily into a vest pocket; and the tough, patented polyethylene material has superior memory, so decoys retain their shape. Stake and instructions included.

ULTIMATE HOT HEN BULK PACK

80354
(12, bulk-packed)

**80376
HEN AND JAKE SET**

One each of the Ultimate Hot Hen and Jake, to entice mature gobblers to defend their territory. Boxed as a pair. Stakes and instructions included.

**80366
STATIONARY FEEDING HEN**

Complete your decoy spread with a bird in the feeding position. The relaxed posture advertises the all-clear signal to surrounding birds. Made of collapsible, durable polyethylene material with detailed coloration, the decoy is lightweight enough to move with the slightest breeze on the enclosed stake. Instructions included.

STATIONARY FEEDING HEN BULK PACK

80368
(12, bulk-packed)

**80377
FLOCK (3-DECOY SET)**

The most realistic set to own, this flock includes one 80352 Ultimate Hot Hen, one 80375 Jake, and one 80366 Stationary Feeding Hen decoy, all packaged in a single carton. Use the group to entice territorial gobblers to protect their hens from your jake. Stakes and instructions included.

**80378
BREEDING TOM**

Mix things up with the wildest concept in decoying. Simulating a breeding tom, this unique collapsible decoy is designed to ruffle the feathers of dominant gobblers, and is excellent for call-shy birds or birds that hang up. The Breeding Tom has proven itself in actual field tests with impressive results. Made from lightweight, durable polyethylene, the decoy has ultra-realistic markings. It comes complete with instructions and a special stake to adapt it for use with Delta Targets hen models.

The Breeding Tom decoy is designed to be used with Delta Targets 80352 Ultimate Hot Hen (sold separately), as shown in image 1. It can also be used with 80366 Stationary Feeding Hen (sold separately), as shown in image 2, and with the Delta Targets Original Hot Hen (discontinued), as shown in image 3.
