WATERPROOFING POWDER

"Remarkable" is how experienced shooters describe their results after applying Gateway's Waterproofing powder to their fletched arrows. This non toxic, odor free and weightless powder will help guide your feather fletchings in any weather!

ARROW TRACERS

Used for increased visibility successful archers and hunters will love these. Feather tracers will help you see your arrow all the way to your target. Tracers add virtually no weight and double as a wind direction aid.

BUILDING THE PERFECT ARROW DVD

Go Step by Step with Byron Ferguson, Master of the Longbow, as he builds a hunting arrow! Watch as Champion Target Archer, Chance Beaubouef, shows you how he builds a target arrow!
